

Welcome to New North webinar event in Levi, Finland 26. -27.9.2024!

You are cordially invited to new North webinar event to Levi, Finland on 26th -27th Sep 2024!

In the event we share information regarding national and regional transport system plans and strategies of Norway, Sweden and Finland. All three countries have variation in the arrangement of responsibilities relating to national and regional transport systems and land use planning. Our event seeks to illuminate these processes and build more fluid co-operation in the future of our shared New North. Please join us either at Levi or Teams, by your preference.

Venue [Levi Summit](#), Tunturitie 205, Levi, Finland and ONLINE (Teams) 26th Sep 2024 12.00-17.00.
